Subject: RE: Clean Water Act Jurisdiction – Environmental

Confirmed NO Bristol Bay discussion on the agenda. There was another meeting with conservation groups (not enviro groups) that had BB on the agenda, and that meeting was Dec. 11. I covered the BB items with a process summary.

Jim:

Please advise if BB will be at topic at this meeting. A while back you indicated that it might but then later indicated that you were not sure. Please advise, very busy so trying to save time.
